| 10. | We will always love and miss you so very much. |
| 11. | With all our love always. |
| 12. | Resting where no shadows fall. |

15. Although we are far away, we will hold you close in our thoughts and in our hearts, today and always.
16. Memories of you will never die. Nor will they fade as time goes by.
17. You gave me all you had to give, however great or small. But most of all you gave me love. The greatest gift of all.
18. Wherever I go, whatever I do, I will always love you and remember you.

MESSAGES FOR CHILDREN

19. Goodnight, God bless little one.
20. Gentle Jesus up above, please give all our love.
21. Treasured memories of our beautiful baby.
22. Although you were not with us long, you will be forever in our hearts.
23. There is a star in the sky tonight, shining brighter than all the rest.
24. A butterfly lights beside us like sunbeam and for a brief moment, it's beauty and glory belong to the world, but then it flies again. And though we wish it could have stayed, we feel so lucky to have seen it.
25. Those we have held in our arms for a little while, we will hold in our hearts forever.
26. Most people only dream of angels. We held one in our arms.
27. Once in a while, children come into this world so special that the angels need these precious ones to sing in heaven, and light up the world from above.
